The Honorable Board of Supervisors
County of Los Angeles

Los Angeles, CA 90012

Dear Supervisors:

**RECOMMENDATION TO AWARD MASTER AGREEMENT FOR AS-NEEDED
PROCESS IMPROVEMENT SERVICES**

(ALL SUPERVISORIAL DISTRICTS) (3 VOTES)

SUBJECT

This is a recommendation to establish a non-exclusive Process Improvement Services Master Agreement to be administered by the Chief Executive Office. The Master Agreement will provide as-needed process improvement consulting services to County departments, enabling them to enhance efficiency and productivity, reduce costs, and enhance services to our constituents.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and authorize the Chief Executive Officer to sign a non-exclusive Process Improvement Services Master Agreement with each of the 12 firms listed on Attachment I, in a format substantially similar to the sample Agreement provided in Attachment II, which has been approved as to form by County Counsel, effective upon Board approval through June 30, 2017.
2. Authorize the Chief Executive Officer to sign a Process Improvement Services Master Agreement with additional firms during the ensuing seven-year period that meet all minimum requirements and qualifications as outlined in the initial Request for Statement of Qualifications dated January 15, 2010.

3. Authorize the County's Purchasing Agent to execute Purchase Orders for services for Process Improvement Services Master Agreement firms, as requested and appropriately documented by individual departments with Chief Executive Office approval, up to the amount budgeted by the requesting department for such services.
4. Authorize the Chief Executive Officer to execute amendments to the Process Improvement Services Master Agreement for any change that does not materially affect the scope of work or any other term or condition included in this agreement, and as long as the amendments do not exceed the maximum term for the Master Agreement, are consistent with the original Board-improved intent of the Master Agreement, and are in conformance with any mandatory or otherwise Board-ordered contract provisions.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

In an effort to provide more efficient and cost-effective services, the County must look for new ways to streamline processes and reduce operating expenses, while maintaining the same levels of service to its constituents. In May of 2009, the Efficiency Initiative was launched by the Chief Executive Officer, instructing each County department to form an efficiency team, with the goals of identifying ways to save money, streamline processes, and reduce operating costs. While the Efficiency Initiative has resulted in over \$145 million in annual savings for the County, opportunities for further process improvements and elimination of waste should be continually explored.

Establishment of a Process Improvement Services Master Agreement (Master Agreement) with experienced firms will allow departments to achieve greater levels of efficiency, reduce or eliminate redundant processes, decrease service response times, and improve employee morale based on best practices and tracked metrics.

Implementation of Strategic Plan Goals

The recommended actions support the County's Strategic Plan Goal One of Operational Effectiveness. As described above, the services proposed within the Master Agreement would allow departments to maximize the effectiveness of their processes, structure, and operations to support timely delivery of customer-oriented and efficient public services. The Master Agreement process will also allow departments to expedite the solicitation process for these services.

FISCAL IMPACT/FINANCING

The Master Agreement does not include any appropriation. Departments will fund any services acquired from a Master Agreement consultant within the department's approved budget. As the administrator of the Master Agreement, the Chief Executive Office (CEO) will confirm and validate that funding is available before the individual Work Order is executed.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Master Agreement has been approved as to form by County Counsel and includes all of the Board's required contract provisions including those pertaining to compliance with the County's Child Support Program, consideration of GAIN participants for employment, adherence to County's Defaulted Property Tax Reduction Program, and Jury Service requirements. The proposed Master Agreement is not subject to the County's Living Wage Program.

Program Administration

The CEO will act as the County's Master Agreement Program Administrator and will provide overall direction and oversight for the program. The CEO will maintain copies of the Statement of Qualifications (SOQ) submitted by Master Agreement firms for departmental staff to review when considering a solicitation and issuance of a Request for Services.

With your Board's approval, the CEO will accept and evaluate qualifications from additional firms that request their inclusion on the Master Agreement List. Such firms may be added to the Master Agreement if they meet the initial Request for Statement of Qualifications' (RFSQ) requirements. Your Board and County departments will be advised when additional firms are added to the list. Information about the Master Agreement, the requirements and the opportunity to submit qualifications will be posted on the County's Website.

County Departments' Utilization of the Master Agreement

The proposed Master Agreement provides a non-exclusive list of pre-qualified firms that have demonstrated relevant experience and staff capacity to provide the requested services. The list of firms will be a resource to departments and thereby streamline their process for selecting contract assistance, if desired. Departments interested in contracting with a Master Agreement firm will issue a Request for Services (RFS) to at least three Master Agreement firms. The RFS will describe the specific departmental

project in detail, set forth the submission requirements and the proposal evaluation criteria. Departments will evaluate responses, select the firm most appropriate for the department's needs, and recommend the Work Order for CEO approval. If the Work Order exceeds \$300,000, departments shall be required to provide written notice to your Board, at least one week prior to submission of recommended Master Agreement firm to the CEO. Upon CEO approval, the County's Purchasing Agent will issue the corresponding Purchase Order. No work is guaranteed to any Master Agreement firm based on the award of a Master Agreement.

Each department that decides to contract with a Master Agreement firm will designate a Project Director. The Project Director will be responsible for 1) issuing an RFS to at least three Master Agreement firms indicated above, requesting submission of a proposal to provide specified services; 2) managing the proposal evaluation and contractor selection process, including issuance of a requisition to the Purchasing Agent for a Purchase Order for the services; 3) monitoring the contractor's performance and progress on the project; 4) reviewing and approving project tasks, deliverables, and invoices, and; 5) providing direction to the contractor in the areas relating to County policy, information requirements and procedural requirements.

Each contractor will provide services as an independent contractor and will be responsible for the means and methods of performing the specialized services and accomplishing the results and deliverables requested by the County pursuant to the Master Agreement.

The Project Director will provide performance reports to the Master Agreement Program Administrator, as appropriate. When contract services have been completed, the Project Director will complete and submit a Services Evaluation form to the Master Agreement Program Administrator. These forms will be kept on file for other departments to view in considering new solicitations.

CONTRACTING PROCESS

An RFSQ was issued on January 15, 2010 soliciting SOQs from firms with demonstrated experience providing consulting in the area of Process Improvement. Minimum requirements were detailed for submission of SOQ, including: 1) a summary of relevant background information about the firm including the number of years of experience providing Process Improvement services; 2) a detailed description of the firm's formal Process Improvement methodology; 3) at least three examples of performance metrics and/or benchmarks developed or utilized by the firm to assist County or other public entities in evaluating its performance before and after engagement.

The Honorable Board of Supervisors
June 15, 2010
Page 5

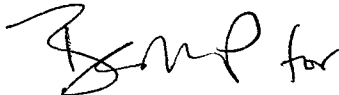

The solicitation was posted on the County's Website and e-mailed to 65 firms. A total of 33 SOQs were received by the February 16, 2010 due date. CEO staff reviewed all SOQs to qualify firms, and we are recommending awarding a Master Agreement to 12 of the 33 firms that submitted SOQs. The remaining firms did not meet minimum requirements, did not provide required documentation, or declined to accept standard County terms and conditions.

Upon Board approval, a master agreement substantially similar to Attachment II, will be mailed to each approved firm for signature. Once the agreements have been fully executed, notice will be provided to all departments of the availability of the Master Agreement list and the procedures for its use.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Establishment of a Master Agreement List of pre-qualified firms to provide as-needed Process Improvement services will simplify the solicitation and contracting process for those departments that choose to use consultant services to streamline processes and reduce costs. Approval of these actions will enable the departments to perform at a more efficient and effective level, and provide better service to our constituents.

Respectfully submitted,

WILLIAM T FUJIOKA
Chief Executive Officer

Each Work Order shall result from RFS bids, solicited by and tendered to County, by Qualified Contractors. Unless otherwise specified in the RFS, County shall select the lowest cost, qualified bid responding to the requirements of the proposed RFS. No work shall be performed by Contractors except in accordance with the valid bid, executed Work Order, and corresponding executed Purchase Order.

3.0 WORK

- 3.1 Pursuant to the provisions of this Master Agreement, the Contractor shall fully perform, complete and deliver on time, all tasks, deliverables, services and other work as set forth herein.
- 3.2 Associated services that will be solicited under this Master Agreement would include process improvements, change management and other administrative best practices to increase efficiencies and/or reduce operating costs. This Master Agreement would not be used as a vehicle for County departments to solicit, or for contractors to propose or to recommend, any specific information technology product or solution.
- 3.3 Each Purchase Order shall include a fully executed Work Order, which shall describe in detail the particular project and the work required for the performance thereof. Payment for all work shall be on a time and materials or fixed price basis, subject to the Total Maximum Amount specified on each individual Work Order.
- 3.4 If Contractor provides any task, deliverable, service, or other work to County that utilizes other than approved Contractor Personnel, and/or that goes beyond the Work Order expiration date, and/or that exceeds the Total Maximum Amount as specified in the Work Order as originally written or modified in accordance with sub-paragraph 8.1, Amendments, these shall be gratuitous efforts on the part of Contractor for which Contractor shall have no claim whatsoever against County.
- 3.5 County procedures for issuing and executing Work Orders are as set forth in Exhibit A. Upon determination by County to desire contractor work, County shall issue an RFS containing a Statement of Work to a minimum of three Master Agreement Qualified Contractors. Each interested Qualified Contractor contacted shall submit a response to the County address indicated in the RFS and within the timeframe specified in the solicitation. Failure of Contractor to provide a bid

within the specified timeframe may disqualify Contractor for that particular solicitation.

- 3.6 Upon completion of evaluations, County shall execute the Work Order with the lowest cost Qualified Contractor unless the RFS solicitation specifies bid evaluation criteria other than lowest cost. The corresponding Purchase Order shall then be executed by the Internal Services Department staff. It is understood by Contractor that County's competitive bidding procedure may have the effect that no Work Orders are awarded to some Master Agreement Qualified Contractors.
- 3.7 County estimates that selection of any Contractor shall occur within ten (10) business days of completion of the evaluations of the particular RFS bids. Following selection, all Contractors selected must be available to meet with County on the effective date specified in the Work Order. Inability of Contractor to comply with such commencement date may be cause for disqualification of Contractor from the particular Work Order as determined in the sole discretion of County's Project Director.
- 3.8 In the event Contractor defaults two times under sub-paragraph 3.7 within any 12-month period, then County may terminate this Master Agreement pursuant to Sub-paragraph 8.43, Termination For Default.
- 3.9 Contractor shall be responsible for monitoring and controlling the number of hours worked, and more particularly the resulting dollar value of chargeable services performed by Contractor personnel assigned to individual time and material Work Orders. Contractor shall be solely responsible for payments to Contractor personnel for excess hours worked resulting in charges exceeding any total maximum amounts stated on the Work Order.

4.0 TERM OF MASTER AGREEMENT

- 4.1 This Master Agreement is effective upon the date of its execution by the Chief Executive Officer or his/her designee as authorized by the Board of Supervisors. This Master Agreement shall expire on June 30, 2017 unless sooner extended or terminated, in whole or in part, as provided herein.
- 4.2 Notwithstanding any other provisions of this Paragraph 4.0, any Work Order issued hereunder prior to the expiration date of this Master Agreement which has a Work Order expiration date later than the Master Agreement expiration date shall automatically extend such Master Agreement expiration date up to one hundred eighty (180) days or to the Work Order expiration date, whichever occurs first. Such extended Master Agreement expiration date shall apply only to such Work Order and shall not extend such date for any other

purpose whatsoever, including issuing new Work Orders and/or extending any other Work Order(s).

5.0 CONTRACT SUM

5.1 Contractor shall not be entitled to any payment by County under this Master Agreement except pursuant to validly executed and satisfactorily performed Work Orders. In each year of this Master Agreement, the total of all amounts actually expended by County hereunder ("maximum annual expenditures") may not exceed amounts allocated to the Chief Executive Office by the County Board of Supervisors in their approved budgets. The County has sole discretion to expend some, all, or none of such budgeted amounts. The sum of such annual expenditures for the duration of the Master Agreement is the Contract Sum.

5.2 The Contractor shall not be entitled to payment or reimbursement for any tasks or services performed, nor for any incidental or administrative expenses whatsoever incurred in or incidental to performance hereunder, except as specified herein. Assumption or takeover of any of the Contractor's duties, responsibilities, or obligations, or performance of same by any entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever, shall occur only with the County's express prior written approval.

5.3 No Payment for Services Provided Following Expiration/Termination of Master Agreement

Contractor shall have no claim against County for payment of any money or reimbursement, of any kind whatsoever, for any service provided by Contractor after the expiration or other termination of this Master Agreement. Should Contractor receive any such payment it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration/termination of this Master Agreement shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration or other termination of this Master Agreement.

5.4 Invoices and Payments

5.4.1 For providing the tasks, deliverables, services, and other work authorized pursuant to this Master Agreement, Contractor shall separately invoice County for each Work Order either: (1) monthly, if performed on a time and materials basis or (2) by deliverable, if performed on a fixed price per deliverable basis.

- 5.4.2 Payment for all work shall be on either a time and materials basis or a fixed price per deliverable basis, subject to the Total Maximum Amount specified in each Work Order less any amounts assessed in accordance with sub-paragraph 8.25, Liquidated Damages.
- 5.4.3 County shall not pay Contractor for any overtime premiums, travel expenses, meals, lodging, holidays, vacation, sick leave, per diem, or miscellaneous expenses, etc., unless specifically stated and agreed by County in the individual Work Order.
- 5.4.4 All work performed by, and all invoices submitted by, Contractor pursuant to Work Orders issued hereunder must receive the written approval of County's Department Project Manager, who shall be responsible for a detailed evaluation of Contractor's performance before approval of work. The County's Department Project Manager shall then forward such invoice to County's Internal Services Department for payment processing.
- 5.4.5 Invoices under this Master Agreement shall be submitted to the address(es) set forth in the applicable Work Order.

5.4.6 **Invoice Content**

The period of performance specified in Contractor's invoice(s) must coincide with the period of performance specified in the applicable Work Order.

Contractor shall not have the right to enter into any settlement, agree to any injunction, or make any admission, in each case, on behalf of County without County's prior written approval.

8.0 STANDARD TERMS AND CONDITIONS

8.1 AMENDMENTS

8.1.1 The County's Board of Supervisors or Chief Executive Officer or designee may require the addition and/or change of certain terms and conditions in the Master Agreement during the term of this Master Agreement. The County reserves the right to add and/or change such provisions as required by the County's Board of Supervisors or Chief Executive Officer. To implement such orders, an Amendment to the Master Agreement shall be prepared and executed by the Contractor and by the Chief Executive Officer or his/her designee.

8.1.2 The Chief Executive Officer or his/her designee may, at his/her sole discretion, authorize extensions of time as defined in Paragraph 4.0 - Term of Master Agreement. The Contractor agrees that such extensions of time shall not change any other term or condition of this Master Agreement during the period of such extensions. To implement an extension of time, an Amendment to the Master Agreement shall be prepared and executed by the Contractor and by the Chief Executive Officer or his/her designee.

8.2 ASSIGNMENT AND DELEGATION

- 8.2.1 The Contractor shall not assign its rights or delegate its duties under this Master Agreement, or both, whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this sub-paragraph, County consent shall require a written amendment to the Master Agreement, which is formally approved and executed by the parties. Any payments by the County to any approved delegate or assignee on any claim under this Master Agreement shall be deductible, at County's sole discretion, against the claims, which the Contractor may have against the County.
- 8.2.2 Shareholders, partners, members, or other equity holders of Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the Master Agreement, such disposition is an assignment requiring an Amendment in accordance with all applicable provisions of this Master Agreement, including the need for an Amendment.
- 8.2.3 Any assumption, assignment, delegation, or takeover of any of the Contractor's duties, responsibilities, obligations, or performance of same by any entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, shall be a material breach of the Master Agreement which may result in the termination of this Master Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

8.3 AUTHORIZATION WARRANTY

The Contractor represents and warrants that the person executing this Master Agreement for the Contractor is an authorized agent who has actual authority to bind the Contractor to each and every term, condition, and obligation of this Master Agreement and that all requirements of the Contractor have been fulfilled to provide such actual authority.

8.4 COMPLIANCE WITH APPLICABLE LAW

- 8.4.1 In the performance of this Contract, Contractor shall comply with all applicable Federal, State and local laws, rules, regulations, ordinances, directives, guidelines, policies and procedures, and all provisions required thereby to be included in this Contract are hereby incorporated herein by reference.
- 8.4.2 Contractor shall indemnify, defend, and hold harmless County, its officers, employees, and agents, from and against any and all claims, demands, damages, liabilities, losses, costs, and expenses, including, without limitation, defense costs and legal, accounting and other expert, consulting or professional fees, arising from, connected with, or related to any failure by Contractor, its officers, employees, agents, or subcontractors, to comply with any such laws, rules, regulations, ordinances, directives, guidelines, policies, or procedures, as determined by County in its sole judgment. Any legal defense pursuant to Contractor's indemnification obligations under this Paragraph 8.4 shall be conducted by Contractor and performed by counsel selected by Contractor and approved by County. Notwithstanding the preceding sentence, County shall have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County shall be entitled to retain its own counsel, including, without limitation, County Counsel, and reimbursement from Contractor for all such costs and expenses incurred by County in doing so. Contractor shall not have the right to enter into any settlement, agree to any injunction or other equitable relief, or make any admission, in each case, on behalf of County without County's prior written approval.

8.5 COMPLIANCE WITH CIVIL RIGHTS LAWS

The Contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000 (e) (1) through 2000 (e) (17), to the end that no person shall, on the grounds of race, creed, color, sex, religion, ancestry, age, condition of physical handicap, marital status, political affiliation, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Master Agreement or under any project, program, or activity supported by this Master Agreement. The Contractor shall comply with Exhibit C - Contractor's EEO Certification.

8.6 COMPLIANCE WITH COUNTY'S JURY SERVICE PROGRAM

8.6.1 Jury Service Program: This Master Agreement is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code, a copy of which is attached as Exhibit D and incorporated by reference into and made part of this Master Agreement.

8.6.2 Written Employee Jury Service Policy

1. Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.
2. For purposes of this sub-paragraph, "Contractor" means a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full time employee of Contractor. "Full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for the County under the Master Agreement, the subcontractor shall also be subject to the provisions of this sub-paragraph. The provisions of this sub-paragraph shall be inserted into any such subcontract agreement and a copy

of the Jury Service Program shall be attached to the agreement.

3. If Contractor is not required to comply with the Jury Service Program when the Master Agreement commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Jury Service Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Master Agreement and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.
4. Contractor's violation of this sub-paragraph of the Master Agreement may constitute a material breach of the Master Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Master Agreement and/or bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

8.7 CONFLICT OF INTEREST

- 8.7.1 No County employee whose position with the County enables such employee to influence the award of this Master Agreement or any competing Master Agreement, and no spouse or economic dependent of such employee, shall be employed in any capacity by the Contractor or have any other direct or indirect financial interest in this Master Agreement. No officer or employee of the Contractor who may financially benefit from the performance of work hereunder shall in any way participate in the County's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the County's approval or ongoing evaluation of such work.
- 8.7.2 The Contractor shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Master Agreement. The Contractor warrants that it is not now aware of any

facts that create a conflict of interest. If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to the County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this sub-paragraph 8.7 shall be a material breach of this Master Agreement.

8.8 CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR LAYOFF/OR RE-EMPLOYMENT LIST

Should the Contractor require additional or replacement personnel after the effective date of this Master Agreement to perform the services set forth herein, the Contractor shall give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Master Agreement.

8.9 CONSIDERATION OF HIRING GAIN/GROW PROGRAM PARTICIPANTS

8.9.1 Should the Contractor require additional or replacement personnel after the effective date of this Master Agreement, the Contractor shall give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet the Contractor's minimum qualifications for the open position. For this purpose, consideration shall mean that the Contractor will interview qualified candidates. The County will refer GAIN/GROW participants by job category to the Contractor.

8.9.2 In the event that both laid-off County employees and GAIN/GROW participants are available for hiring, County employees shall be given first priority.

8.10 CONTRACTOR RESPONSIBILITY AND DEBARMENT

8.10.1 Responsible Contractor

A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the Master Agreement. It is the County's policy to conduct business only with responsible Contractors.

8.10.2 Chapter 2.202 of the County Code

The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other contracts which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in this Master Agreement, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all existing Contracts the Contractor may have with the County.

8.10.3 Non-responsible Contractor

The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County, (2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.

8.10.4 Contractor Hearing Board

1. If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.
2. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length

of time of the debarment. The Contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

3. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.
4. If a Contractor has been debarred for a period longer than five (5) years, that Contractor may after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.
5. The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Contractor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

6. The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

The Contractor understands that it is the County's policy to encourage all County Contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. The Contractor will also encourage its Subcontractors, if any, to post this poster in a prominent position in the Subcontractor's place of business. 8.13.2 Unless the Contractor qualifies for an exemption or exclusion, the Contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this contract will maintain compliance, with Los Angeles County Code Chapter 2.206.

8.14 COUNTY'S QUALITY ASSURANCE PLAN

The County or its agent will evaluate the Contractor's performance under this Master Agreement on not less than an annual basis. 8.15.1 Contractor shall repair, or cause to be repaired, at its own cost, any and all damage to County facilities, buildings, or grounds caused by Contractor or employees or agents of Contractor. Such repairs shall be made immediately after Contractor has become aware of such damage, but in no event later than thirty (30) days after the occurrence.

8.15.2 If Contractor fails to make timely repairs, County may make any necessary repairs. All costs incurred by County, as

determined by County, for such repairs shall be repaid by Contractor by cash payment upon demand.

8.17 FACSIMILE REPRESENTATIONS

The County and the Contractor hereby agree to regard facsimile representations of original signatures of authorized officers of each party, when appearing in appropriate places on the Amendments prepared pursuant to sub-paragraph 8.1, and received via communications facilities, as legally sufficient evidence that such original signatures have been affixed to Amendments to this Master Agreement, such that the parties need not follow up facsimile transmissions of such documents with subsequent (non-facsimile) transmission of "original" versions of such documents.

performed by the Contractor's employees for which the County may be found jointly or solely liable.

8.19 FORCE MAJEURE

8.19.1 Neither party shall be liable for such party's failure to perform its obligations under and in accordance with this Master Agreement, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this sub-paragraph as "force majeure events").

8.19.2 Notwithstanding the foregoing, a default by a subcontractor of Contractor shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, Contractor shall not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this sub-paragraph, the term "subcontractor" and "subcontractors" mean subcontractors at any tier.

8.19.3 In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

This Master Agreement shall be governed by, and construed in accordance with, the laws of the State of California. The Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Master Agreement and further agrees and consents that venue of any action brought hereunder shall be exclusively in the County of Los Angeles.

County, at its sole discretion, may obtain damages from Contractor resulting from said breach.

8.23.5 Insurer Financial Ratings

terminate this contract and/or pursue debarment of the Contractor, pursuant to County Code Chapter 2.206.

In the event of such termination, the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.
- 8.43.2 The Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.

Notwithstanding any other provision of this Master Agreement, the County shall not be obligated for the Contractor's performance hereunder or by any provision of this Master Agreement during any of the County's future fiscal years unless and until the County's Board of Supervisors appropriates funds for this Master Agreement in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Master Agreement, then this Master Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. Process Improvement Master Agreement
Request for Service (RFS) and Work Order Process**

The following describes the typical process that individual County departments will use in selecting a Master Agreement firm for a given project. This does not preclude a County department from awarding a Work Order and corresponding Purchase Order directly to a specific firm with an existing Master Agreement when it is in the County's best interest, as determined by the County's Chief Executive Office.

A. Request for Services

Individual County departments will determine which Master Agreement firms maybe best qualified to perform a Process Improvement project. The County department will then send an RFS to a minimum of three Master Agreement firm(s). The RFS will be in the form of a Statement of Work which describes the specific project in detail, including the scope, required skills, completion dates, and reporting requirements. Firms will usually be given three to six weeks after the issue date to submit proposals for the project. County reserves the right to reduce the response time to meet its service needs.

Associated services that will be solicited under this Master Agreement would include process improvements, change management and other administrative best practices to increase efficiencies and/or reduce operating costs. This Master Agreement would not be used as a vehicle for County departments to solicit, or for contractors to propose or to recommend, any specific information technology product or solution.

B. Proposal Submission for RFS Projects

In response to the RFS, interested Master Agreement firms will submit proposals to the County department including:

1. A detailed work plan, describing the firm's proposed approach to the project and a full description of the planned methodology to be employed.
2. A timetable for completing the project.
3. Resumes and work experience summaries of the proposed project team, including the project manager, supervisory personnel, and professional staff.
4. A description of the firm's experience and capabilities in the project area.
5. A number of hours and cost for each person on the project team including hourly rates, or proposed cost for each deliverable (fixed price).
6. The total maximum cost to complete the project.
7. Proof of Professional Liability/Errors and Omissions insurance coverage, as stated in Section 8.24.4 of the Master Agreement, if requested in the RFS.

C. Proposal Evaluation and Selection for RFS Projects

Representatives of the County department, and possibly other County departments, will evaluate and score the proposals based on factors that may include:

- Work plan quality
- Response time
- Experience of personnel and the firm
- Project costs

D. Work Order and Purchase Order

If a firm is selected, the County department will create a Work Order package and submit such package in conjunction with the evaluation materials for approval by the Chief Executive Office. The Work Order will include the following sections:

- Work Order Signature Page
- Business Objective and Expected Outcome
- Project Overview
- Project Scope
- Statement of Work including detailed Project Plan, Tasks, Milestones, Deliverables and Acceptance Criteria
- Project Schedule
- Payment Schedule
- Acceptance Form

The Chief Executive Office will execute Work Order and a corresponding Purchase Order will be issued by County's Internal Services Department. Any additional services shall require prior written approval and an amendment to the Work Order and the corresponding Purchase Order.

E. Invoicing and Payment

Contractor shall submit invoices to the County department for payment in accordance with the Work Order's Payment Schedule and applicable Acceptance Criteria. The Contractor shall be compensated in arrears and in accordance with the approved Work Order and the corresponding Purchase Order, upon completion and acceptance of the work by the County department.

F. Fee Schedule

The fee is based upon fair and reasonable fees negotiated between the Contractor and the County department and set forth in the Work Order and corresponding Purchase Order.

G. Schedule

Services shall be performed with due diligence and in a timely manner. All work shall be performed and submitted to the County department in accordance with the approved Work Order and corresponding Purchase Order.

Title 2 ADMINISTRATION
Chapter 2.203.010 through 2.203.090
CONTRACTOR EMPLOYEE JURY SERVICE

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

In Los Angeles County: 1 877 BABY SAFE 1 877 222 9723

www.babysafela.org

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre o el adulto que lo entregue recibirá un brazaletes igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Ángeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazaletes con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

**CONTACTOR'S OBLIGATION AS A BUSINESS ASSOCIATE UNDER THE
HEALTH INSURANCE PORTABILITY ACCOUNTABILITY ACT OF 1996 AND
THE HEALTH INFORMATION TECHNOLOGY FOR ECONOMIC AND
CLINICAL HEALTH ACT (BUSINESS ASSOCIATE AGREEMENT)**

CONTRACTOR'S OBLIGATIONS AS A BUSINESS ASSOCIATE UNDER THE HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT OF 1996 AND THE HEALTH INFORMATION TECHNOLOGY FOR ECONOMIC AND CLINICAL HEALTH ACT (BUSINESS ASSOCIATE AGREEMENT)

Under this Agreement, Contractor ("Business Associate") provides services ("Services") to County ("Covered Entity") and Business Associate receives, has access to or creates Protected Health Information in order to provide those Services.

Covered Entity is subject to the Administrative Simplification requirements of the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 ("HIPAA"), and regulations promulgated thereunder, including the Standards for Privacy of Individually Identifiable Health Information ("Privacy Regulations") and the Health Insurance Reform: Security Standards ("the Security Regulations") at 45 Code of Federal Regulations (C.F.R.) Parts 160 and 164 (together, the "Privacy and Security Regulations"). The Privacy and Security Regulations require Covered Entity to enter into a contract with Business Associate ("Business Associate Agreement") in order to mandate certain protections for the privacy and security of Protected Health Information, and those Regulations prohibit the disclosure to or use of Protected Health Information by Business Associate if such a contract is not in place.

Further, pursuant to the Health Information Technology for Economic and Clinical Health Act, Public Law 111-005 ("HITECH Act"), effective February 17, 2010, certain provisions of the HIPAA Privacy and Security Regulations apply to Business Associates in the same manner as they apply to Covered Entity and such provisions must be incorporated into the Business Associate Agreement.

This Business Associate Agreement and the following provisions are intended to protect the privacy and provide for the security of Protected Health Information disclosed to or used by Business Associate in compliance with HIPAA's Privacy and Security Regulations and the HITECH Act, as they now exist or may hereafter be amended.

Therefore, the parties agree as follows:

1.0 DEFINITIONS

- 1.1 "Breach" has the same meaning as the term "breach" in 45 C.F.R. § 164.402.
- 1.2 "Disclose" and "Disclosure" mean, with respect to Protected Health Information, the release, transfer, provision of access to, or divulging in any other manner of Protected Health Information outside Business Associate's internal operations or to other than its employees.
- 1.3 "Electronic Health Record" has the same meaning as the term "electronic health record" in the HITECH Act, 42 U.S.C. section 17921. Electronic Health Record means an electronic record of health-related information on an individual that is created, gathered, managed, and consulted by authorized health care clinicians and staff.
- 1.4 "Electronic Media" has the same meaning as the term "electronic media" in 45 C.F.R. § 160.103. Electronic Media means (1) Electronic storage media including memory devices in computers (hard drives) and any removable/transportable digital memory medium, such as magnetic tape or disk, optical disk, or digital memory card; or (2) Transmission media used to exchange information already in electronic storage media.

Transmission media include, for example, the internet (wide-open), extranet (using internet technology to link a business with information accessible only to collaborating parties), leased lines, dial-up lines, private networks, and the physical movement of removable/transportable electronic storage media. Certain transmissions, including of paper, via facsimile, and of voice, via telephone, are not considered to be transmissions via electronic media, because the information being exchanged did not exist in electronic form before the transmission. The term "Electronic Media" draws no distinction between internal and external data, at rest (that is, in storage) as well as during transmission.

- 1.5 "Electronic Protected Health Information" has the same meaning as the term "electronic protected health information" in 45 C.F.R. § 160.103. Electronic Protected Health Information means Protected Health Information that is (i) transmitted by electronic media; (ii) maintained in electronic media.
